YDT request to use TP in Triples League

YDT plans to use TP in Triples League and VP in Premier League.

ELBC request to change the home green to TCS

Subsequent to the rejection of ELBC requesting ALC as home, they applied using TCS starting Triples League 2025. The League panel supported the application.

Now four sides (BFC, ULBSC, AYFP, ELBC) use TCS as home. The quote is 10 sides. In Triples League 2025, 12 sides were entered by these clubs. These 4 clubs have registered a total 8 sides in the Premier League 2025.
