

Here is a list of shoes approved for use on lawn bowls greens in Hong Kong. Should you have a pair of shoes that was not specifically designed for lawn bowls and was not on the list, you need to submit its details to LBA for approval. The approval criteria are:

1. All shoes that are specially designed for lawn bowls will be approved, regardless of their colour.
2. For shoes not designed for lawn bowls, we will look at their sole and style to see if it meets our requirements. For this kind of shoes, only white, black, gray and brown colour will be approved.
